

Exhibit G – Letters of Support

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

By signing below, I give my support to Banyan Residential's request as proposed to me:

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a resident of Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

BUSINESS OWNER

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to meet local housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot

Banyan Residential will:

- Support the local workforce — housing for teachers, healthcare, and service workers
- Strengthen the local economy — more customers for nearby businesses
- Keep jobs and housing connected — fewer long commutes
- Adds a professionally managed community — stable, maintained, long-term investment
- Improves an underused property — turning a vacant site into something for the community

- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

By signing below, I give my support to Banyan Residential's request as proposed to me:

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a resident of Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to meet local housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot

Banyan Residential will:

- Support the local workforce — housing for teachers, healthcare, and service workers
- Strengthen the local economy — more customers for nearby businesses
- Keep jobs and housing connected — fewer long commutes
- Adds a professionally managed community — stable, maintained, long-term investment
- Improves an underused property — turning a vacant site into something for the community

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

By signing below, I give my support to Banyan Residential's request as proposed to me:

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a resident of Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to meet local housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot

Banyan Residential will:

- Support the local workforce — housing for teachers, healthcare, and service workers
- Strengthen the local economy — more customers for nearby businesses
- Keep jobs and housing connected — fewer long commutes
- Adds a professionally managed community — stable, maintained, long-term investment
- Improves an underused property — turning a vacant site into something for the community

By signing below, I give my support to Banyan Residential's request as proposed to me:

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

By signing below, I give my support to Banyan Residential's request as proposed to me:

STATEMENT OF SUPPORT

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a business owner or stakeholder in Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to support local workforce housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot
- Full half street improvements to abutting streets

Banyan Residential will:

- Bring more year-round local customers — increasing foot traffic and demand for nearby businesses
- Support the local workforce — providing a local housing option for employees in retail, healthcare, education, and service industries
- Help businesses attract and retain employees — by offering housing closer to jobs
- Strengthen the local economy — keeping spending within Apache Junction
- Activate a vacant property — replacing vacant land with a productive, maintained community

By signing below, I give my support to Banyan Residential's request as proposed to me:

STATEMENT OF SUPPORT

W. J.
Buen

By signing my name below, I acknowledge that I have met with representatives of the Banyan Residential development team; that I am a resident of Apache Junction, Arizona; and that I support Banyan's request for an amendment of the Conditions of Approval of Resolution 22-33/Ordinance No. 1526 to modify the site plan and elevations for the project located at the Southeast Corner of West Virginia Street and Rennick Drive.

The proposed Banyan Residential project is consistent with existing zoning and the General Plan land use designation. The development includes 152 multi-family units at a density of 22 du/ac, offering a mix of one-, two-, three-, and four-bedroom apartments to meet local housing needs.

This project will include:

- (5) 2-story buildings
- 152 multi-family residences
- 258 onsite parking spaces
- Gated, professionally managed community
- Landscaping and open space
- Pool, fitness, clubhouse, BBQ grills, playground, and community gathering spaces
- Development of a vacant lot

Banyan Residential will:

- Support the local workforce — housing for teachers, healthcare, and service workers
- Strengthen the local economy — more customers for nearby businesses
- Keep jobs and housing connected — fewer long commutes
- Adds a professionally managed community — stable, maintained, long-term investment
- Improves an underused property — turning a vacant site into something for the community

By signing below, I give my support to Banyan Residential's request as proposed to me:
